ARTICLE I. NAME, PRINCIPAL OFFICE, DEFINITIONS AND PROPERTY

These Third Amended and Restated Bylaws of Enchanted Valley Ranch, Inc. (the “**Bylaws**”), are adopted by the Board of Directors (“**Board**”) and the Owners (“**Members**”) replace all previously adopted bylaws and amendments thereto in their entirety. The Board is vested with the authority to adopt these Bylaws pursuant to Texas Business Organizations Code §22.102.

A. Name

The name of the nonprofit homeowners association is Enchanted Valley Ranch, Inc. (hereinafter referred to as the “**Association**”).

B. Principal Office

The principal office of the Association shall be located in Hidalgo County, Texas, or a county adjacent to Hidalgo County, Texas, as may be designated by the Board from time to time.

C. Definitions

The capitalized terms used in these Bylaws shall have the same meaning as set forth in the Amendment to the Covenants, Stipulations and Restrictions Enchanted Valley Ranch Subdivision, recorded under Vol. 3360, Page 500 *et seq.* in the real property records of Hidalgo County, Texas, (said restrictions, as amended, renewed, or extended from time to time, are hereinafter sometimes referred to as the “**Restrictions**”), unless otherwise specified herein.

D. Property

The property affected by these Bylaws is the property known as Enchanted Valley Ranch subdivision (the “**Subdivision**”), which is subject to the jurisdiction of the Association.

**ARTICLE II. ASSOCIATION: MEMBERSHIP, MEETINGS, QUORUM,
VOTING, PROXIES**

A. Membership

The Association shall be a membership corporation without certificates or shares of stock. Every person or entity, other than the Association, who is a record owner of any property subject to the Restrictions or to restrictive covenants heretofore and/or hereafter imposed on property brought within the jurisdiction of the Association are members of the Association. All owners, by virtue of their ownership of a lot in the Subdivision subject to the Restrictions, are members of the Association.

The Association shall be a Board-managed, member-approved organization. The following areas are reserved for member authority to vote on and approve or disapprove, by a majority of a quorum of the members in attendance (either in person or by proxy) at a regular or special meeting of the members:

1. Amendments to the Articles of Incorporation, the Declaration, or these Bylaws; and
2. Increases in assessments; and
3. The election of directors to the Board; and
4. The annual budget; and
5. Any expenditure in excess of the amount listed for such expenditure in the annual budget, which includes the total scope of the project which is the subject of such expenditure; and
6. Lending or borrowing of money; and
7. The sale or purchase of real property; and
8. The construction of capital improvements other than the repair, replacement, or enhancement of existing capital improvements; and
9. Hiring of a professional management agent or company to manage the Association.

B. Place of Meetings

Meetings of the Association shall be held at the clubhouse of the Association. Only executive session meetings of the Board may be held at another suitable location at the discretion of the Board.

C. Annual and Regular Monthly Member Meetings

Regular and special annual meetings shall be set by the Board. Directors to be elected by the membership shall be elected at the annual meeting or at a special meeting of members called for that purpose. Regular monthly member meetings will be held in the months of October through April.

D. Special Meetings

The President may call special meetings. In addition, it shall be the duty of the President to call a special meeting of the members if so directed by resolution of a majority of a quorum of the Board or upon a petition signed by members representing at least forty percent (40%) of the total votes of the Association. The notice of any special meeting shall state the date, time, place, and subject matter of such meeting and the purpose thereof. No business shall be transacted at a special meeting except as stated in the notice.

E. Notice of Meetings

Written or printed notice stating the place, day, and hour of any meeting of the members shall be delivered, either personally or by mail, fax or other electronic media, to each member not less than ten (10) nor more than sixty (60) days before the date of such meeting, by or at the

direction of the President, the Secretary, or the officers calling the meeting. Such notice must contain a general description of the topics or issues to be discussed, all supporting documentation related to such issues (as available), and a copy of any document to be voted upon by the members.

For an election or vote of members not taken at a meeting, the Association shall give notice of the election or vote to all members entitled to vote on any matter under consideration. The notice shall be given not later than the 20th day before the latest date on which a ballot may be submitted to be counted.

Notice to a member by email or facsimile must be sent to the email address or facsimile number provided to the Association in writing by that member. If emailed, the notice of meeting shall be deemed to be delivered as of the date and time shown on a confirmation that the email was successfully transmitted. If faxed, the notice of meeting shall be deemed to be delivered as of the date and time shown on a written confirmation that the facsimile was successfully transmitted. For any given meeting, the Board may use any combination of the alternative methods for providing notice to the members.

Notwithstanding anything contained herein to the contrary, the Association may use an alternative method that may be used to provide notice to members provided that the member to whom the notice is provided has affirmatively opted to allow the Association to use the alternative method of providing notice.

For the purpose of determining the members entitled to notice of a meeting, the membership of the Association shall be determined on the date the notice of meeting is first given.

If mailed, the notice of a meeting shall be deemed to be delivered when deposited in the United States mail first class postage pre-paid addressed to the member at his or her address as it appears on the records of the Association. One notice, addressed to multiple members at the same address, shall suffice if more than one (1) member resides at any address.

F. Waiver of Notice

Waiver of notice of a meeting of the members shall be deemed the equivalent of proper notice. Any member may, in writing, waive notice of any meeting of the members, either before or after such meeting. Attendance at a meeting by a member, either in person or by proxy, shall be deemed waiver by such member of notice of the time, date, and place thereof, unless such member specifically objects to lack of proper notice in writing at the time the meeting is called to order. Further, casting a vote by any means authorized in these Bylaws, by a member on any issue to be voted upon at the meeting shall be deemed a waiver by such member of notice of the meeting. Attendance at a meeting shall also be deemed waiver of notice of all business transacted thereat unless objection to the calling or convening of the meeting, of which proper notice was not given, is raised in writing before the business is put to a vote.

G. Adjournment of Meetings

If any meeting of the members cannot be held because a quorum is not present, either in person or by proxy, the presiding officer or a majority of the members who are present at such meeting, in person [or by proxy], may adjourn the meeting to a time not less than ten (10) nor more than sixty (60) days from the time the original meeting was called. At the reconvened

meeting, if a quorum is present, any business that might have been transacted at the meeting originally called may be transacted. All votes cast by members prior to the originally called meeting by proxy, or by any means authorized in these Bylaws, on issues to be considered at the meeting shall be valid and may be counted at the reconvened meeting at which a quorum is present; provided that a member who cast a vote on an issue by proxy or by any means authorized in these Bylaws may change that member's vote at any time prior to the time that a call for a vote on the issue is made at the reconvened meeting at which a quorum is present. A member may change his vote by attending the reconvened meeting in person, submitting a proxy at the reconvened meeting which either directs or authorizes the proxy holder to vote in a different manner, or changing the member's vote by any means for voting authorized in these Bylaws. If a time and place for reconvening the meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for reconvening the meeting after adjournment, notice of the time and place for reconvening the meeting shall be given to members in the manner prescribed for regular meetings.

H. Voting

Section 1. Voting Rights

Every person or entity who is a record owner of a lot within the subdivision is a member of the Association. Members shall cast votes according to the following:

- (a) Subject to the below, each Member is entitled to cast one (1) vote on a matter submitted to a vote of the Association;
- (b) Each member shall be limited to one (1) vote, even if such member owns multiple lots. If any member casts more than one (1) vote, none of the votes of such member shall be valid; and
- (c) Each lot shall be limited to two (2) votes, even if the lot is owned by more than two (2) members. If more than two members cast votes as record owners of the same lot, no votes shall be honored for such lot.

Section 2. Permissible Voting Methods

Each member may vote in person or by proxy appointed by instrument in writing and subscribed by the member or by the duly authorized attorney of such member. A member must be permitted to vote by absentee ballot or proxy. Members may vote by any one, or more, of the following methods as may be established in a policy adopted by the Board: (1) in person, (2) by mail ballot, (3) by proxy, (4) by any electronic means, or (5) other process approved by the Board of the Association. Facsimile proxies shall be valid. Electronic voting and/or voting by secret ballot shall be valid pursuant to rules and regulations promulgated by the Board. At any election where there are an equal number of nominees as there are positions to be filled, the Board may determine that election by ballot or vote is not required and may declare that the nominees are elected by unanimous consent or acclamation. At all meetings of members, all questions, except those the manner of which is otherwise expressly governed by statute, the Articles of Incorporation of the Association or by the Bylaws, shall be decided by the vote of a plurality of the members of the Association present in person or by proxy and entitled to vote, a quorum being present. Each ballot must be signed by the member voting or by his proxy. At the

option of the Board, any vote may be taken by absentee or electronic ballot, or any combination of absentee or electronic ballot, proxy or in person.

Votes cast by members must be in writing signed by the member if the vote is cast (i) outside of a meeting, (ii) in an election to fill a position on the Board, (iii) on a proposed adoption or amendment of a Dedicatory Instrument, (iv) on a proposed increase in the amount of assessment or proposed adoption of a special assessment, or (v) on the proposed removal of a Board member.

An absentee or electronic ballot may be counted toward a quorum of members present (as if in attendance at a meeting) (1) for the purpose of establishing a quorum only for items appearing on the ballot; (2) may not be counted, even if properly delivered, if the member attends any meeting to vote in person, so that any vote cast at a meeting by a member supersedes any vote submitted by absentee or electronic ballot previously submitted for that purpose; and (3) may not be counted on the final vote of a proposal if the motion was amended at the meeting to be different from the exact language on the absentee or electronic ballot.

Section 3. Voting Procedures for Votes Held at Annual or Special Meetings

(a) Members may cast votes by any one (1) of the following procedures:

1. Members may vote *prior* to the meeting:
 - a. by visiting the _____ room,
 - b. during the hours described in the notice of the meeting,
 - c. on the day the meeting is to be held; or
2. Members may vote *prior* to the meeting:
 - a. by completing and returning an Absentee Ballot sent by the Association,
 - b. any time before the submission deadline on the Absentee Ballot; or
3. Members may vote *at* the meeting.

I. Majority

As used in these Bylaws, the term “majority” shall mean those votes, members, or other group as the context may indicate totaling more than fifty (50%) percent of the total eligible votes.

J. Quorum

Except as otherwise provided in these Bylaws, the presence in person, or by proxy, of members representing twenty percent (20%) of the total eligible votes in the Association shall constitute a quorum at all meetings of the Association. If the required quorum is not present, another meeting may be called subject to the same notice requirements, and the required quorum at the subsequent meeting shall be satisfied by those members in attendance. No such subsequent meeting shall be held more than sixty (60) days following the initial or first meeting.

The members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment.

K. Conduct of Meetings

The President, or his/her designee, shall preside over all meetings of the Association, and the Secretary, or his/her designee, shall keep the minutes of the meeting and record in a minute book all resolutions adopted at the meeting and all transactions occurring at the meeting.

L. Proxies and Absentee Ballots

At all meetings of members, each member may vote in person or by proxy. All proxies shall be in writing and filed with the Secretary before the appointed time of each meeting or by any earlier date or time specified in the notice of meeting. Every proxy shall be revocable and shall automatically cease upon (i) conveyance by the member of the member's interest in the property; (ii) receipt of notice by the Secretary of the death or judicially declared incompetence of a member; (iii) receipt of written revocation; or, (iv) expiration of eleven (11) months from the date of the proxy. In the case of a member's execution of more than one proxy, the proxy with the latest date shall be valid. Proxies not delivered prior to the start of any meeting or by any earlier date or time if specified in the notice of meeting, shall not be valid.

The Board is vested with the authority to determine, in its sole discretion, if members may vote on any issue to be voted upon by the members under these Bylaws by absentee ballot that is delivered or mailed to the Association or transmitted to the Association by facsimile or by electronic communication over the Internet. To be valid, any vote cast by a member by any of the alternative means must be received by the Association by the date and time specified in the notice of meeting or, if no date and time is specified in the notice of meeting, by midnight of the day before the date of the scheduled meeting. The mechanism for voting by electronic communication must provide a sufficient method of identifying the member and verifying the member's vote, and for which the member may receive a receipt of the electronic transmission and receipt of the member's ballot. The Board shall have the authority to adopt an electronic voting policy. Any requirement imposed by these Bylaws, a duly adopted Board policy, or by applicable law for a signature on any such absentee ballot may also be satisfied by a digital signature meeting the requirements of such documents or applicable law.

Notwithstanding anything contained in these Bylaws to the contrary, a proxy may only be issued by a member to another member.

ARTICLE III. BOARD OF DIRECTORS: NUMBER, POWERS, MEETINGS

A. Composition and Selection

Section 1. Governing Body; Composition

The affairs of the Association shall be governed by a Board of Directors, each of whom shall have one (1) vote. Not more than one (1) representative of a corporation or other entity may serve on the Board at any given time. Notwithstanding anything contained herein to the contrary, if the Board is presented with written documented evidence from a database or other record maintained by a governmental law enforcement authority that a director was convicted of a felony or crime of moral turpitude not more than twenty (20) years before the date the Board is presented with the evidence, that director is immediately ineligible to serve on the Board and is

automatically considered removed from the Board, and prohibited from future service on the Board.

All directors must be members. In the case of a member that is a corporation or partnership, the person designated in writing by either proxy or a resolution to the Secretary of the Association as the representative of such corporation or partnership shall be eligible to serve as a director.

At least two (2) of the directors must be permanent residents in the Subdivision. It is the responsibility of all Board members to manage the affairs of the Corporation twelve (12) months of the year, regardless of their physical proximity to the Subdivision.

Section 2. Election of Directors

Election of directors by the members may be by any mail ballot, proxy and/or electronic media, by a plurality vote of the members in person or by proxy, or by any combination of the same as determined by the Board.

Notwithstanding anything contained herein to the contrary, in an election of directors by members in which election there are more candidates than vacant positions and where two or more candidates receive the same number of votes resulting in a tie, the winner of the election shall be chosen by lot (i.e., the names of the candidates who are running for a director position and have received the same number of votes shall be written on separate pieces of paper by the presiding officer of the meeting, the pieces of paper shall be folded by the presiding officer and placed in a container provided by the then-serving Board; the presiding officer shall ask for a volunteer member from the audience of members to pick any one piece of paper from the container and the person whose name is picked shall be declared the winner of such election).

Section 3. Number of Directors

The number of directors of the Association shall be seven (7).

The number of directors may be increased or decreased by unanimous written consent of the directors, with the approval of the members. A decrease in the number of directors elected by the members may not cut short a sitting director's term of office without that director's written consent. An increase in the number of directors to be elected by the members, shall be effectuated at the next annual or special meeting of the members where the increased positions on the Board shall be filled by a vote of the members as provided herein for the election of directors, and further provided that the staggering of terms be sustained in a manner similar to that set forth in these Bylaws.

Section 4. Term of Office of Directors

Directors shall serve two year terms with the understanding that a director may be reelected for additional two-year terms. Four (4) directors shall be elected in odd numbered years, and three (3) directors shall be elected in even numbered years. Each director shall continue to hold office until his/her successor is appointed or elected.

In the event the number of directors increases as provided for in Section 4, at no time shall more than one-third (1/3) of the total number of directors be added to the same elected term.

Section 5. Nomination of Directors

The Board may establish a Nominating Committee consisting of a chairperson, who shall be a member of the Board, and three (3) or more members in good standing. The Nominating Committee shall make as many nominations for election to the Board as it receives.

Regardless of whether a Nominating Committee is formed, members may also nominate themselves by submitting a written nomination to the Board on or before a date to be determined by the Board. A nomination taken from the floor in a Board member election is not considered an amendment to the proposal for the election.

At least ten days before the Association disseminates absentee ballots or other ballots to the members for purposes of voting in a Board member election, the Association shall provide notice to the members soliciting candidates interested in running for a position on the Board. The notice must contain (i) instructions for an eligible candidate to notify the Board of the candidate's request to be placed on the ballot and (ii) the deadline to submit the candidate's request. The deadline may not be earlier than the 10th day after the date the Board provides the notice. The notice required by this provision must be:

1. mailed to each member; *or*
2. provided by:
 - (a) posting the notice in a conspicuous manner reasonably designed to provide notice to the members:
 - (i) in a place located on the common area or, with an member's consent in a conspicuous manner on privately owned property within the Subdivision; or
 - (ii) on any Internet website maintained by the Association or other Internet media; *and*
 - (b) sending by e-mail to each member who has registered an e-mail address with the Association.

Section 6. Removal of Directors and Vacancies

A vacancy of a director position created prior to the expiration of his/her term may be filled by the affirmative vote of the majority of the remaining directors, regardless of whether that majority is less than a quorum. A director so appointed to fill a vacancy is appointed for the unexpired term of the director's predecessor in office.

Any director elected by the members may be removed, with or without cause, by the vote of members holding a majority of the total votes. Any director whose removal is sought shall be given notice prior to any meeting called for that purpose. Upon removal of a director, a successor shall then and there be elected by the members entitled to elect the director so removed to fill the vacancy for the remainder of the term of such director.

B. Meetings

Section 1. Organizational Meetings

The first meeting of the Board following each annual meeting of the members shall be held within sixty (60) days thereafter at such time and place as shall be fixed by the Board.

Section 2. Board Meetings; Action Outside of Meeting

A Board meeting means a deliberation between a quorum of the voting directors or between a quorum of the voting directors and another person, during which Association business is considered and the Board takes formal action. A Board meeting does not include the gathering of a quorum of the Board at a social function unrelated to the business of the Association or the attendance by a quorum of the Board at a regional, state, or national convention, ceremonial event, or press conference, if formal action is not taken and any discussion of Association business is incidental to the social function, convention, ceremonial event, or press conference.

Regular and special Board meetings must be open to the members, subject to the right of the Board to adjourn a Board meeting and reconvene in closed executive session.

Regarding all Board meetings that are open to the members, members other than directors may not participate in any discussion or deliberation unless permission to speak is requested on his or her behalf by a director. In such case, the President may limit the time any member may speak.

An open meeting may be held by electronic or telephonic means provided that (i) each director may hear and be heard by every other director, (ii) all members in attendance at the meeting may hear all directors (except if adjourned to executive session), and (iii) all members are allowed to listen using any electronic or telephonic communication method used or expected to be used by a director to participate.

Action Outside of a Meeting, Generally:

1. Subject to subsections 2 and 3, below, the Board may take action outside of a meeting, including voting by electronic and telephonic means, without prior notice to members if each director is given a reasonable opportunity to express the director's opinion to all other directors and to vote. Any action taken without notice to the members must be summarized orally, including estimation of expenditures approved at the meeting, and documented in the minutes of the next regular/special Board meeting.

2. Action Outside of a Meeting Prohibited:

Notwithstanding subsection 1, above, the Board may not consider or vote on any of the following issues except in an open meeting for which prior notice was given to members:

- a. Fines;
- b. Damage assessments;
- c. Initiation of foreclosure actions;
- d. Initiation of enforcement actions, excluding temporary restraining orders or violations involving a threat to health or safety;
- e. Increases in assessments;
- f. Levying of special assessments;
- g. Appeals from a denial of architectural approval;
- h. A suspension of a right of a particular member before the member has an opportunity to attend a Board meeting to present the member's position, including any defense, on the issue;
- i. Lending or borrowing money;
- j. The adoption or amendment of a Dedicatory Instrument;
- k. The approval of an annual budget or the approval of an amendment of an annual budget that increases the budget by more than ten percent (10%);
- l. The sale or purchase of real property;
- m. The filling of a vacancy on the Board;
- n. The construction of capital improvements other than the repair, replacement, or enhancement of existing capital improvements; or
- o. The election of an officer.

Section 3. Notice of Meetings

Notice to the members and directors of the date, hour, place and general subject of regular or special open Board meetings, including instructions for members to access any communication method utilized for the Board meeting, as well as a general description of any matter to be brought up for deliberation in executive session, shall be:

1. mailed to each member and director not later than 10th day or earlier than 60th day before the date of the meeting; *or*
2. provided at least 72 hours before start of the meeting by:
 - a. posting in conspicuous manner reasonably designed to provide notice to the members and directors;
 - b. in a place located on the Association's common property, or on member's property with their consent, or other property within the subdivision;
 - c. on any internet website maintained by the Association or other internet media; *and*
 - d. sending notice by e-mail to each member and director who has registered an email address with the Association.
3. it is the member's and director's duty to keep an updated e-mail address registered with the Association.

If the Board recesses to continue the meeting the following regular business day, the Board is not required to post notice of the continued meeting if the recess is taken in good faith and not to circumvent this provision. If the meeting is continued to the next business day, and the Board again continues the meeting to another day, the Board shall give notice of continuation in at least one of the manners described above, within two (2) hours after adjourning the meeting being continued.

Section 4. Special Meetings

Special meetings of the Board shall be held when called by written notice issued at the request of the President of the Board or by written resolution of a majority of a quorum of the Board. Notice shall be given to the members as provided above.

Section 5. Waiver of Notice of Meeting by Director

The transaction of any meeting of the Board, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present, and (b) either before or after the meeting, each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent by a director need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any director who attends the meeting without protesting in writing before or at its commencement about the lack of adequate notice.

Section 6. Quorum of Board of Directors

At all meetings of the Board, a majority of the directors shall constitute a quorum for the transaction of business, and the votes of a majority of the directors present at a meeting at which

a quorum is present shall constitute the decision of the Board. If any meeting of the Board cannot be held because a quorum is not present, a majority of the directors who are present at such meeting may adjourn the meeting subject to the notice requirements set forth herein. At the reconvened meeting, if a quorum is present, any business that might have been transacted at the meeting originally called may be transacted without further notice.

Section 7. Compensation

No director shall receive any compensation from the Association for acting as such unless approved by members representing a majority of the total votes of the Association at a regular or special meeting of the members; provided, however, that a director may be reimbursed for expenses incurred on behalf of the Association upon approval of a majority of the other directors.

Section 8. Conduct of Meetings

The President, or his/her designee, shall preside over all meetings of the Board, and the Secretary, or his/her designee, shall keep a minute book of meetings of the Board, recording therein all resolutions adopted by the Board and all transactions and proceedings occurring at such meetings.

The professional conduct practices adopted by the Board shall apply to all Board meetings, Executive Sessions, informational "town hall" meetings and other meetings of the general membership called by the Association. The Parliamentarian shall insure meetings are conducted in an orderly manner. No member may expound on any topic without first informing the organizer of the meeting and gaining approval to speak for an established period of time in the agenda prior to the commencement of the meeting.

Section 9. Executive Session

Section 6. Rights of the Association

Without limiting the foregoing, this right shall entitle the Board to enter into common management, operational, or other agreements with trusts, condominiums, cooperatives, or other neighborhood owner or resident associations, both within and without the subdivision. Such agreements shall require the consent of a majority of the total number of non-interested directors of the Board.

The Association shall not be bound, either directly or indirectly, by any contract, lease, or other agreement (including any management contract) unless such contract, lease or other agreement contains a right of termination exercisable by either party without penalty at any time, with or without cause. Such notice of termination must be submitted in writing, with receipted delivery confirmation, to all parties to the contract, lease or other agreement.

Section 7. Enforcement

After notice and an opportunity to be heard, if same is required by law, the Board shall have the power to impose reasonable fines, and to suspend an owner's right to use the common areas for violation of any duty imposed under the Restrictions, these Bylaws, or any rules and regulations duly adopted by the Board; provided, however, nothing herein shall authorize the Association or the Board to limit ingress and egress to or from a lot. In addition, the Board shall be entitled to suspend any services provided by the Association to a lot in the event that the owner of such lot is more than thirty (30) days delinquent in paying any assessment due to the Association. In the event that an occupant or owner violates the Restrictions, Bylaws, or a rule or regulation and a fine is imposed, the fine shall be assessed against the owner. The failure of the Board to enforce any provision of the Restrictions, Bylaws, or any rule or regulation shall not be deemed a waiver of the right of the Board to do so thereafter.

Each owner is obligated to pay to the Association certain charges and assessments, including such charges and assessments as may be included, from time to time, by amendment to the Restrictions. All costs, expenses, and fees charged to, or paid by, the Association in collecting, or attempting to collect, such charges and assessments, as well as interest as specified in the Restrictions, shall be assessed against the owner and the lot, and shall become part of the assessments due on the lot. Likewise, all costs, expenses, and fees incurred by the Association in rectifying, or attempting to rectify, a violation of the Restrictions, rules and regulations, guidelines, or Board policies, shall be assessed against the owner and the lot, and shall become part of the assessments due on the lot. Such costs, expenses, and fees include, but are not limited to:

(a) actual expenses, including attorney fees and court costs;

(b) a late processing fee may be set annually by the Board, which may be assessed for any account that has an unpaid balance on or after thirty (30) days after due date, as an inducement to pay on time and to offset administrative costs and expenses incurred in the collection process;

(c) a dishonored-check processing fee, set by the Board, which may be

assessed for any payment check dishonored by the bank, to offset the additional processing cost incurred;

(d) a partial payment processing fee, set by the Board, which may be assessed if any payment for less than the full amount due at the time payment is made, to offset the additional processing costs incurred;

(e) an administrative fee which may be assessed for the transfer of ownership of any lot, including by foreclosure, to offset the administrative costs and expenses associated with (1) quoting, verbally or in writing, the status of the assessments and other charges due on the lot, (2) tracking, researching, and determining or attempting to determine ownership, (3) updating the books and records of the Association to reflect the transfer, and (4) preparing and mailing introductory information regarding the Subdivision, the Association, and/or the covenants, conditions, restrictions, rules, and regulations applicable to the new owner;

(f) a refinance fee which may be assessed for the refinance of any lot, to offset the administrative costs and expenses associated with quoting the status of the assessments and other charges due on the lot and updating the books and records of the Association; and

(g) a reasonable fee to assemble, copy, deliver and update a resale certificate.

Any such assessment or charge that is not paid when due shall be delinquent. All Payments shall be applied pursuant to the Collection Policy and Payment Plan Guidelines adopted by the Board.

Notwithstanding anything to the contrary herein contained, the Association, acting through the Board, may elect to enforce any provision of the Restrictions, these Bylaws, or the rules and regulations of the Association by Self Help (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules and regulations and perform exterior maintenance) or by suit at law or in equity to enjoin any violation or to recover monetary damages or both, without the necessity of compliance with the procedure set forth above. In any such action, to the maximum extent permissible, the owner or occupant responsible for the violation of which abatement is sought shall pay all costs, fines, costs to repair, including reasonable attorneys' fees actually incurred.

ARTICLE IV. OFFICERS

A. Officers

The officers of the Association shall be a President, Vice President, Secretary, and Treasurer, to be selected from among the members of the Board. E. Resignation

Any officer may resign at any time by giving written notice to the Board, the President, or the Secretary. Such resignation shall take effect on the date of the receipt of such notice or at any later time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. For the purposes of this Subsection, written resignation to the Board may be accomplished by facsimile, electronic transmission, certified mail, or receipted hand delivery.

F. Agreements, Contracts, Deeds, Leases, Checks, Etc.

All agreements, contracts, deeds, leases, checks, and other instruments of the Association shall be executed by: at least two (2) Board members. ARTICLE V. COMMITTEES

The Board is hereby authorized to establish committees to perform such tasks and to serve for such periods as may be designated by a resolution adopted by a majority of the

directors present at a meeting at which a quorum is present. Each committee established by the Board shall operate in accordance with the terms of the resolution of the Board designating the committee and in accordance with such rules as are adopted by the Board. Board elections shall not impact committee membership or operation, unless such impact is described in the resolution or rules. All committees of the Board shall be vested with advisory powers only and are not authorized to act on behalf of the Board, unless otherwise specifically authorized by the Board or the Restrictions.

ARTICLE VI. MISCELLANEOUS

A. Fiscal Year

The fiscal year of the Association shall be January 1st to December 31st of each year.

C. Conflicts

If there are conflicts between the provisions of applicable Federal law, Texas law, the Articles of Incorporation, the Restrictions, and/or these Bylaws, then the provisions of Federal law, Texas law, the Restrictions, the Articles of Incorporation, and the Bylaws (in that order) shall prevail.

D. Books and Records

and second, by a sixty percent (60%) of quorum of members present (in person or by proxy) at a regular meeting of the Association or a special meeting of the Association called for such purpose.

G. Indemnity

To the fullest extent permitted by applicable law, the Association shall and does hereby agree to indemnify, protect, hold harmless and defend its officers, directors, and committee members, hereinafter referred to as "Indemnitees" from and against all claims, demands, damages, injuries, losses, liens, causes of action, suits, judgments, penalties, liabilities, debts, costs and expenses, including court costs and attorneys' fees (collectively, "Liabilities"), of any nature, kind or description, whether arising out of contract, tort, strict liability, misrepresentation, violation of applicable law and/or any cause whatsoever (including without limitation, claims for injuries to or death of any person, or damages to or loss of any property) of any person or entity directly or indirectly arising out of, caused by, in connection with, or resulting from any act or omission of any of the Indemnitees; provided, however, that the Association shall not indemnify the Indemnitees for any Liabilities arising as a result of the gross negligence or willful misconduct of Indemnitees. **THE OBLIGATIONS OF THE ASSOCIATION UNDER THIS SECTION SHALL APPLY TO LIABILITIES EVEN IF SUCH LIABILITIES ARE CAUSED IN WHOLE OR IN PART BY THE SOLE, JOINT OR CONCURRENT NEGLIGENCE, FAULT OR STRICT LIABILITY OF ANY INDEMNITEE AND WHETHER OR NOT SUCH SOLE OR CONCURRENT NEGLIGENCE, FAULT OR STRICT LIABILITY WAS ACTIVE OR PASSIVE.**

The Indemnitees shall promptly advise the Association in writing of any action, administrative or legal proceeding or investigation as to which indemnification may apply, and Association, at Association's expense, shall assume on behalf of Indemnitees and conduct with due diligence and in good faith the defense thereof with competent trial counsel, provided, however, that Indemnitees shall have the right, at their own option, to be represented therein by advisory counsel of their own selection and at their own expense.

In the event of the failure by Association to fully perform its obligations in accordance with this Section, Indemnitees, at their option, and without relieving the Association of its obligations hereunder, may so perform, but all costs and expenses so incurred by Indemnitees in that event shall be reimbursed by the Association to Indemnitees, together with interest, on the same from the date any such expense was paid by Indemnitees until reimbursed by the Association, at the highest lawful rate of interest allowed under applicable usury laws of the State of Texas (or if no maximum rate is applicable, at the rate of eighteen percent (18%) per annum). The indemnification shall not be limited to damages, compensation or benefits payable under insurance policies. It is agreed with respect to any legal limitations now or hereafter in effect and affecting the validity or enforceability of the indemnification obligations under this Section, such legal limitations are made a part of indemnification obligations and shall operate to amend the indemnification obligations to the minimum extent necessary to bring the provisions into conformity with the requirements of such limitations, and as so modified, the indemnification obligations shall continue in full force and effect.

H. Business Judgment Rule

The Business Judgment Rule means that a court shall not substitute its judgment for that of the director, officer or committee member. A court shall not re-examine the quality of the decisions made by the director, officer, or committee member by determining the reasonableness of the decision as long as the decision is made in good faith in what the director, officer, or committee member believes to be the best interest of the corporation.

Each home, if occupied, shall be occupied by at least one person 55 years of age or older (an "Age Qualified Occupant"); provided however, that once a home is occupied by an Age Qualified Occupant, other qualified occupants of that home may continue to occupy the home, regardless of the termination of the Age qualified Occupant's occupancy. Notwithstanding the above, at all times, at least 80% of the occupied homes within the Subdivision (as calculated pursuant to federal or state law and applicable regulations, including 24 Code of Federal Regulations §100.305, as same may be amended from time to time) shall be occupied by at least one person 55 years of age or older. The actual minimum percentage may be set higher by the Board of the Association in any adopted policy. For purposes of this provision, "Age Qualified Occupant" means any individual 55 years of age or older who occupies a home. The terms "occupy," "occupies", or "occupancy"

shall mean staying overnight in a particular home for at least ninety (90) days in any consecutive twelve (12) month period.

The Board shall adopt and publish policies and procedures from time to time as necessary to maintain the status as an age restricted community under State and Federal law and demonstrate its intent that the Subdivision be operated as housing for persons 55 years of age or older, which policies and procedures may include but are not limited to audits.

M. Enforcement Provisions

The determining factor shall be member complaints, the observations of the Board of Directors or their appointed agents. Any such maintenance shall be billed to the property owner at an amount established by the Board of Directors. This maintenance fee shall be established at a legal Board of Directors meeting.

(c) Any existing physical structure in violation of the Bylaws or Restrictions shall never be replaced by any structure also in violation of the Bylaws or Restrictions. Current violations shall not be perpetuated by allowing another violation to replace the existing violation.

(d) No building shall be located on any lot nearer than twenty-five (25) feet from the front curb line or six (6) feet from the side of the lot line or five (5) feet from the back of the lot line. This Bylaw change is to reflect the correction of an error in the Restrictions.

N. Duty of Ordinary Care
